In the Matter of:

THE NOTICE OF PURCHASED	)	
GAS ADJUSTMENT FILING OF	)	CASE NO. 8678-X
WESTERN LEWIS-RECTORVILLE	)	
WATER AND GAS DISTRICT	)	

O R D E R

On March 1, 1983, the Commission issued its Order in Case No. 8678 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On July 11, 1985, the Commission issued its Order in Case No. 8678-R allowing Western Lewis-Rectorville Water and Gas District ("Western Lewis") to pass on a decrease in rates from its supplier Columbia Gas Transmission Corporation ("Transmission"), effective April 1, 1985, and ordered Western Lewis to report to the Commission any excess revenues collected along with a plan to refund these excess revenues to its customers. On October 31, 1985, Western Lewis submitted its excess revenues and refund plan to the Commission.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) Western Lewis' notice of October 16, 1985, set out a refund factor which Western Lewis proposed to place into effect, said refund being designed to pass on excess revenues in the amount of \$3,076 or 23 cents per Mcf.

(2) The refund factor should remain in effect for 2 months or until such time as the full amount plus interest has been returned to Western Lewis' customers.

(3) The refund should begin with meter readings taken on November 1, 1985, or as soon as possible thereafter.

(4) Western Lewis should refund the amounts reported in its application plus interest at a rate equal to the average of the "3-Month Commercial Paper Rates" less 1/2 of 1 percent to cover the costs of refunding. These monthly rates are reported in the Federal Reserve Bulletin and the Federal Reserve Statistical Release.

IT IS THEREFORE ORDERED that Western Lewis shall apply a 23 cents per Mcf refund factor as a reduction in the approved purchased gas adjustment beginning with meter readings taken on November 1, 1985, or as soon as practical thereafter, and this refund factor shall remain in effect until such time as necessary so that the total amount will, as nearly as possible, reflect the amount received. The refund factor will terminate when the amount refunded equals the amount herein report plus interest.

IT IS FURTHER ORDERED that within 30 days from the date the refund factor is terminated Western Lewis shall file with this Commission a summary statement showing a reconciliation of customer billings and the amounts refunded.

IT IS FURTHER ORDERED that within 30 days of the date of this Order Western Lewis shall file with this Commission its revised tariffs setting out the rates authorized herein. All other rates and charges shall remain in full force and effect.

Done at Frankfort, Kentucky, this 27th day of November, 1985.
